

# MNC 2010 (November 9-12, 2010 Rihga Royal Hotel Kokura) Oral Instruction

## To speakers:

Please take your own personal computer (PC) to the operator's desk located close to the screen by 15 minutes before your talk, and staff will help you to connect your PC to the projector.

If your OS is Windows, you can use a keyboard, a mouse that placed on the podium console instead of your PC's keyboard/mouse. They can control your PC that placed on the operator desk.  
If your OS is Mac, you can connect your PC to the projector by using a socket on the podium console

The connector type of the projector is D-sub (15 pin). USB connection is not available.

## Author's Interview

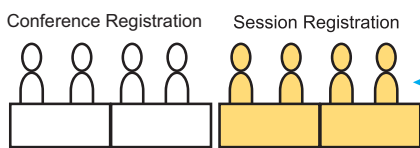

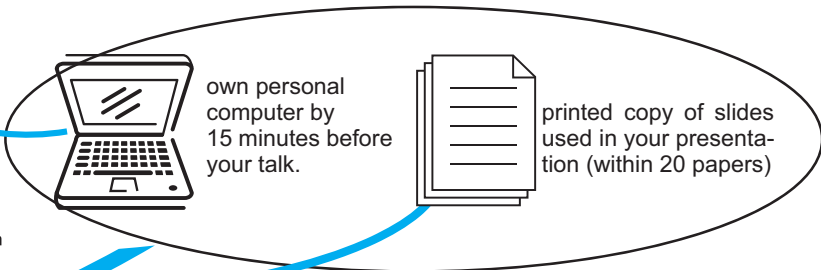

A 15 minutes Author's Interview will be held after each session.

The authors are requested to make complementary discussions with audience.

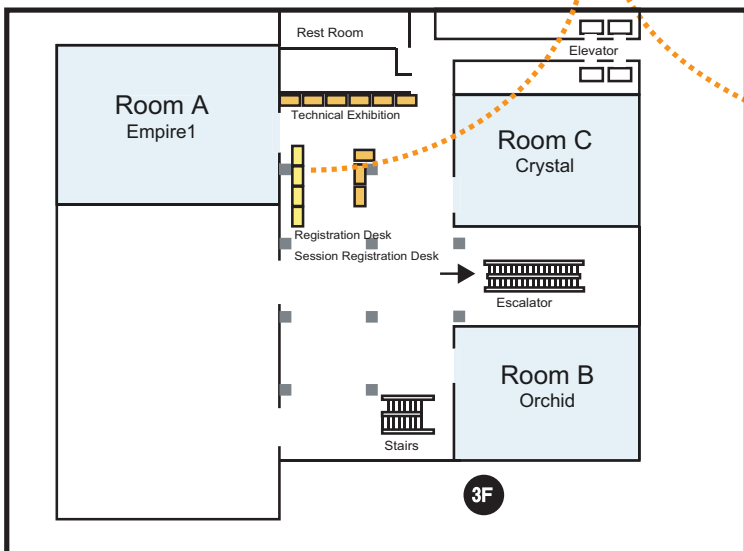

Please prepare a set of printed copy of slides used in your presentation. Your materials will be posted on the 90cm-wide X 180 cm-high surface board by the MNC staff and will be returned after the session.

\* Note that the Author's Interview is different from so-called poster sessions and come off Most Impressive Poster Award.

\* Those whose paper is accepted for presentation at the conference should inform MNC if they can participate. (In case of not making a presentation, the presentation will be withdrawn and the paper submission will not be accepted by JJAP.)
