

**Contribution, Supporting Membership, Sponsorship and Technical Exhibition for MNC2018**

To whom it may concern:

The 31st International Microprocesses and Nanotechnology Conference (MNC 2018) is currently inviting organizations to support the conference through contribution, supporting membership, sponsorship and technical exhibition.

Hosted by The Japan Society of Applied Physics, International Microprocessors and Nanotechnology Conference has been held annually since 1988, and the numbers of paper submission as well as participants are increasing each year. MNC2018 will be held at Sapporo Park Hotel, Sapporo, Japan, and November 13-16, 2018.

In this conference, domestic and foreign researchers and engineers will be presenting and exchanging information about latest technology and future trends in lithography, nanoimprint, resist materials, nanoprocesing, nanodevices, nanofabrication, microsystem and bioMEMS, featuring microfabrication technology for semiconductor device.

We would greatly appreciate your assistance.

Sincerely,

Seiya Kasai
