

How to deal with Q&A

For your video presentation, attendees of the conference can ask a question in a comment column during MNC2021 from October 26- November 5.

Please sometimes look at the comment column during the conference.
If you find comments or questions for your presentation,
please reply until November 5.

1) From "Program", you can access your paper. You can access a presentation video by pressing "Vimeo" button.

The screenshot shows the MNC2021 website interface. At the top, there is a navigation bar with buttons for "My Page", "Program", "User information", and "Registration". Below this, the "Program" section is displayed, featuring a grid of 13 paper categories. A red box highlights this grid with the text "You can access papers in each section from these bottoms." To the right of the grid, there is a "Logout" button and the user name "Mr. Taro Sato".

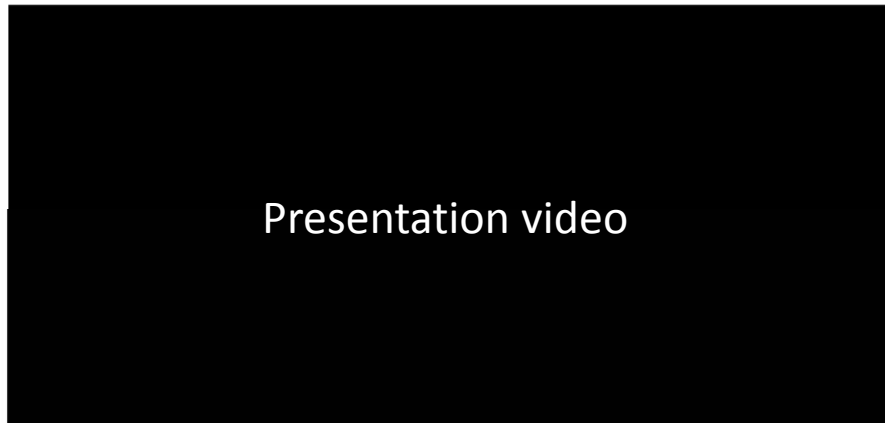

The highlighted grid contains the following categories:

- 1-1: Advanced Lithography and Patterning
- 1-2: Electron and Ion Beam Technologies
- 1-3: Patterning Materials
- 2-1: Nanocarbon & 2D Materials
- 2-2: Nanodevices
- 2-3: Nanofabrication
- 2-4: Inorganic Nanomaterials
- 2-5: Organic Nanomaterials
- 2-6: NanoTool
- 3: Nanoimprint, Hybrid-NIL, Biomimetics, and Functional Surfaces
- 4: BioMEMS, Lab on a Chip, and Nanobiotechnology
- 5: Microsystem Technology and MEMS
- 6: Atomic Layer Processing (ALP)

Below the grid, the "1-1: Advanced Lithography and Patterning" section is expanded, showing a "1-1: Advanced Lithography and Patterning Video distribution" header and the paper ID "P11-1". The paper details include a placeholder for the paper title and author information. At the bottom right of the paper details, there are three buttons: "Video" (with a Vimeo icon), "Abstract" (with a PDF icon), and "Add" (with a refresh icon). A red arrow points to the "Video" button, with the text "Access to your presentation video." below it.

How to deal with Q&A

2) Questions are listed in “comment” column . You are requested to answer the question via “comment” by following the format: Answer to [Name to whom you answer] > your comment. Ex., Answer to Prof. Kozawa> ○○○.

If you like this presentation, Please press "good".

Input your answer here.
